Independent Auditor's Report

To the Members of HANNAH JOSEPH HOSPITAL LIMITED

Report on the Financial Statements

Opinion

We have audited the accompanying financial statement of Hannah Joseph Hospital Limited, comprising the Balance Sheet as on 31st March, 2023, the Statement of Profit and Loss for the year then ended and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31st 2023, and its profit for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report including Annexures to Board's report, Business responsibility report but does not include the financial statements and our auditor's report thereon.

PANDIARAJAN T & CO

email : catprajan@gmail.com

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India including the Accounting Standards specified under Section 133 of the Act, read with rules made thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Office : 97882 48161

email : catprajan@gmail.com

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section(11)of section143 of the Act, we give in the Annexure '1' statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we reportthat:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

Annexure – 2 referred to in paragraph 2(f) under the heading “Report on Other Legal and Regulatory Requirements” of our report of Hannah Joseph Hospital Limited even date

Report on the Internal financial controls under clause (i) of sub section 3 of section 143 of the companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Hannah Joseph Hospital Limited (“the company”) as of 31st March 2023 in conjunction with our audit of the standalone financial statements of the company for the year ended on that date.

Management’s responsibility for internal financial controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the guidelines Note on audit of Internal Financial controls over financial reporting issued by the Institute of chartered accountants of India (‘ICAI’). These responsibility include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the companies Act, 2013.

Auditors Responsibility

Our responsibility is to express an opinion on the company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the guidance note on audit of internal financial controls over financial reporting (the “guidance Note”) and the standards on auditing issued by ICAI and deemed to be prescribed under section 143(10) of the companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the Institute of Chartered Accountants of India. Those standards and the guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depended on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

email : catprajan@gmail.com

We believe that the audit evidence we have obtained is sufficient and appropriate to private a basis for our audit opinion on the company's internal financial controls system over financial reporting.

Meaning of internal financial controls over financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial over financial reporting issued by the Institute of Chartered Accountants of India.

- a. Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation. Cost included all incidental expenses related to acquisition and installation, other pre operation expenses and interest in case of construction.
- b. Cost of an item of property, plant and equipment comprises its purchase price, including import duties if any and non refundable purchase taxes, after deducting trade discounts and rebates, borrowing cost for qualifying assets, if the stipulated conditions are met, any directly attributable cost of bringing them to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it located.
- c. The cost of self constructed items of property, plant and equipment comprises the cost of materials and labour, any other cost directly attributable to bringing the item to working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it located.
- d. When significant parts of property, plant and equipment are required to be replaced at intervals, the company de- recognize the replaced parts, and recognize the new parts with its own associated useful life and it is depreciated accordingly.
- e. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.
- f. The cost and related accumulated depreciation are de-recognized from the standalone financial statement upon sale or disposition of the asset and the resultant gains or losses are recognized in the statement of profit and loss
- g. De-recognition: The carrying amount of an item of property, plant and equipment are de-recognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the de-recognition of an item property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the statement of profit and loss when the item is de-recognized.

2.7 Intangible assets:

- a. Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment loss if any. Internally generated intangible, excluding capitalized development cost, are not capitalized and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.
- b. Intangible assets with definite lives are amortized over the useful economic life and assessed for impairment whenever there is indication that the intangible asset may be impaired. The amortization period and method and useful life are reviewed at end of the each accounting period. The amortization expenses on intangible assets with definite lives is recognized in the statement of profit and loss.
- c. An intangible assets are de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising upon de-recognition of the asset by calculating as the difference between the net disposal proceeds and the carrying amount of the assets is included in the statement of profit and loss.

The estimated useful lives of Intangible assets are as follows:

Category of Assets	Useful life (In years)
Software	Depreciate by the same Rate as per IT Act
Right of use of Assets	7

2.8 Borrowing Cost :

Borrowing cost directly attributable to the acquisition, construction or production of qualifying asset that require substantial period of time to get ready for intended use or sale are capitalized as part of the cost of the assets by complying AS 16. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and finance charge against lease rent payment prior to the commencement of commercial function and any other costs that the company incurs in connection with the borrowing of funds.

2.9 Depreciation :

- a) Depreciation has been provided on written down value basis at the rate determined with reference to the useful live specified to the schedule II of the companies act 2013. The impact of the change considering useful live of fixed assets have been incorporated in accordance with the provision of schedule II.
- b) Depreciation on new assets acquired during the year is provided at the rate determined with reference to the useful lives in accordance with the provision of schedule II.
- c) Depreciation on assets sold during the year is provided for the period beginning of the year till the date of disposal at the rate determined with reference to the useful lives in accordance with the provision of schedule II. Its resultants amount after sold either profit or loss was carried to profit and loss account.
- d) Intangible assets are amortized in accordance with the erstwhile provision (Governed by AS)

- e) In respect of finance lease, Amortization amount of leased assets which are Cath lab and MRI medical equipment were allocated to every accounting period during the period of expected use on a systematic basis that is over the lease term of 7 years.. Further, the sum of the depreciation expenses (amortization) and the finance charges for the period will not be the same as the lease payments payable on monthly for the period. Also, the Asset and that related liability are unlikely to be equal in amount after the inception of the finance lease.
- f) Depreciation / Amortisation is provided on the WDV line method, based on the useful life of the assets as estimated by the management. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. The company has estimated the following useful lives to provide depreciation on its property, plant and equipment which are in compliance with the Companies Act, 2013:

Category of assets	Useful life (In years)
Building	60
Medical and surgical equipment	13-15
Plant and equipment	15
Office equipment	5
Electrical equipment	10
Computer	3-6
Furniture and fixtures	10
Vehicles	8

The residual values, useful lives and method of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

2.10 Taxes on Income :

a. Current Income tax

It is the amount of Income tax determined to be payable in respect of the Taxable Income (Tax loss) for a period. Thus, Current tax is measured at the amount expected to be paid to the tax authorities using the applicable tax rate and tax laws.

b. Deferred Tax

1. It is the tax effect of temporary timing difference. Deferred Tax Assets and Liabilities should be measured using the tax rate and tax laws that have been enacted or subsequently enacted by the balance sheet date.
2. As to First Applicability: When AS-22 become applicable for the first time to the company, it should recognize, in the Financial statements, the Deferred Tax (DTA or DTL)
3. Deferred tax liabilities are recognized for all taxable temporary difference, **except:**
 - a. When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit or taxable profit or loss.

For Hannah Joseph Hospital Limited

Dr. M.J. Arunkumar

Chairman & Managing Director

For Hannah Joseph Hospital Limited

Dr. Kavitha Fenn Arunkumar
Executive Director

- b. In respect of taxable temporary difference associated with investment in subsidiaries, associates and interest in joint ventures, when the timing of reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.
4. Deferred tax assets are recognized for all deductible temporary difference, the carry forward of unused tax credits and any used tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized, **except**:
 - a. When the deferred tax assets relating to the deductible temporary difference arises from the initial recognition of an assets or liabilities in a transaction that is not a business combination and, at the time of the transaction, affect neither accounting profit nor taxable profit or loss.
 - b. In respect of deductible temporary difference associated with investment in subsidiaries, associates and interest in joint ventures, when the timing of reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.
 - c. The carrying amount of deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be realized.
5. Deferred tax assets and liabilities are classified as noncurrent assets and liabilities

	Closing	Opening
Deferred tax asset on:		
Unabsorbed depreciation of earlier years	1,90,09,103	2,21,19,092
Sub Total	1,90,09,103	2,21,19,092
Reduction in DTA		
On current taxable income	0	31,09,989
Sub Total	0	31,09,989
Deferred tax liability on:	0	0
Net Deferred tax Asset	1,90,09,103	1,90,09,103

2.11 Employee benefits :

Short term employee benefits:

Employee benefits payable wholly within twelve months of rendering the services being classified as short term. Benefit such as salary, Bonus, staff welfare and etc are recognized in the period in which an employee renders the related services.

For Hannah Joseph Hospital Limited

Dr. M.J. Arunkumar

Chairman & Managing Director

Post employment benefits:

The company has made provision for Rs.3.49 lakhs against previous year of Rs.3.27 Lakhs towards Employee Gratuity Fund as compliance of AS15. However, the company has not estimated the gratuity amount using actuarial valuation by actuarial valuer in connection with the post employment benefits that accrue to employees.

2.12 Lease : Company as a lessee:

a. Operating Lease:

1. Leases of assets under which all the risks and rewards of ownership are effectively retained by the lessor are classified as operating lease. Lease rent under operating lease are recognized as an expenses in profit and loss account Lease rental on operating lease is recognized as expenses in the statement of profit and loss account as per terms of the agreement with AS 19 lease as notified under the companies (AS) rules, 2006.
2. The Company has taken the building which situated in 134, K.K.Nagar, Madurai to use as Registered office of company and also use as Ladies hostel for the staff of the hospital from the joint owner of the property is Dr.M.J.Arunkumar, Chairman Cum Managing Director and Dr.KavithaFennArunkumar Executive Director W/O Dr.M.J.Arunkumar, Director on lease for a period of 11 months with option to extend the lease as long as both the parties mutually agreed upon. The lease rent paid is charged to profit and loss account as the risk and rewards incident to ownership retained with lessor only.
3. The Company has taken a Vacant land on which new hospital constructed by the company from Dr.M.J.Arunkumar, Chairman Cum Managing Director on lease period of 29 years, which is registered with SRO (DOCUMENT NO.3093 / DT 11/05/2015) with option to extend the lease as long as both the parties mutually agreed upon. As the lease hold property is vacant land, an AS 19 will not apply. Further, since, all such risk and rewards incident to ownership retained with lessor only, that related lease rent payment is charged to profit and loss account.
4. The Company has taken a Vacant land from Selvarani & Jegathewwari on lease period of 33 years, which is registered with SRO (DOCUMENT NO. 5490 / DT.11/07/2019) that having been using as parking area of the hospital with option to extend the lease as long as both the parties mutually agreed upon. As the lease hold property is vacant land, an AS 19 will not apply. Further, since, all such risk and rewards incident to ownership retained with lessor only, that related lease rent payment is charged to profit and loss account.
5. The Company has taken a vacant land from M.Sakthivel on lease of 33 years, which is registered with SRO (DOCUMENT NO. 5822 / DT.11/07/2019) that having been using as parking area of the hospital with option to extend the lease as long as both the parties mutually agreed upon. As the lease hold property is vacant land, an AS 19 will not apply. Further, since, all such risk and rewards incident to ownership retained with lessor only, that related lease rent payment is charged to profit and loss account.

b. Right of use of Assets: (Finance lease)

1. The company recognize right of use of assets at the commencement date of the lease (i.e the date underlying assets is available for use) Right of use of assets are measured at cost, less any accumulated depreciation and impairment losses if any. The cost of right of use of use assets and that liability were recognized. Right of use of assets are amortized on straight line method over the shorter period of lease term or the estimated useful lives of the assets.
2. The Company has taken Cath lab machine on finance lease from Clix capital and its rental payment was started to pay from August 2019. As the company was ready to start its commercial function only from 24th August 2020 onwards, the finance charge against lease rent payment at or before the commencement date were capitalized as borrowing cost as complying AS 16. When the AS 19 is complying, the company has recognized the assets and that liabilities at lower of fair price or PV of minimum lease payment that pertain to lease hold property using interest rate implicit in the lease. The lease rent payment after the commencement commercial date, is apportioned as finance charges and principal outstanding which is being charged to profit and loss account and reduce the lease liability respectively. Though there was no purchase option available (prima facie) at the end of the tenor in the lease deed, since the lease term is for major part of the economic life of the asset even if title is not transferred, the lease is taken as finance lease
3. The Company has taken MRI machine on finance lease from Clix capital and its rental payment was started to pay from Sep 2020. When the AS 19 is complying, the company has recognized the assets and that liabilities at lower of fair price or PV of minimum lease payment that pertain to lease hold property using interest rate implicit in the lease. The lease rent payment after the commencement of commercial date, is apportioned as finance charges and principal outstanding which is being charged to profit and loss account and reduce the lease liability respectively. Though there was no purchase option available (prima facie) at the end of the tenor in the lease deed, since the lease term is for major part of the economic life of the asset even if title is not transferred, the lease is taken as finance lease
4. Lease liability: At the commencement date of the lease (i.e the date underlying assets is available for use), the company recognize lease liability measured at the present value of lease payments to be made over the lease term. The Lease payment include fixed payments less any lease incentives receivable, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the company and payment of penalties for terminating the lease.
 - a. In calculating the present value of lease payments, the company use at 7.90% and 7.77% for MRI and Cath lab respectively which is implicit rate of lease deed to discount the lease rent on monthly basis

HANNAH JOSEPH HOSPITAL LIMITED

Notes forming part of the financial statements for the year ended March 31st, 2023

(Rs.in Lakhs)

Note 31

Operating Lease:

- a) The company has several operating leases, say a lease hold land at cinthamani on which hospital building was constructed, an adjacent lease hold land to the hospital being used as parking area, and Lease hold building at K.K.Nagar 134, which being used as registered office of the company and also as a hostel premises for the staff of the hospital. These lease are renewable on periodic basis and cancellable at its option. Rental expenses for operating lease included in the financial statements for the year are Rs. 150.34 /- (Previous Year Rs.147.60)

Note 32

- a) The company does not have any major pending litigations which would impact its financial position as on the reporting date.
b) There are no amounts required to be transferred to the investor education and protection fund by the company as on the reporting date.
c) Previous reporting period's figures have been regrouped wherever required in conformity with the presentation for the current reporting period.

Note 33

The company made provision for Rs.3.49 /- (Previous Year Rs.3.27) towards Employee Gratuity fund as compliance of AS 15. However, the company has not estimated the gratuity amount using actuarial valuation by actuarial valuer in connection with the post employment benefits that accrue to employees. Hence, I am not in position to ensure the reliability of estimate made on the provision for Employee Gratuity Fund

Key ratios

(Rs.in Lakhs)

Particulars	For the year ended 31 March, 2023 Rs.	For the year ended 31 March, 2022 Rs.	Variance	Reasons for Variance
(a) Current Ratio	1.17	0.59	0.57	
- Current Assets (describe)	1,478.13	520.48		Current asset ratio is improvised due to change in Accounting policy on trade receivable and also because of increased bank and inventory balance. Further it is witnessed that current liabilities were also increased because of unsecured loans raised for working capital requirement. Taking together the current ratio is witnessed in the higher side in the Financial Year 2022-23
- Current Liabilities	1,266.48	875.06		
(b) Debt-Equity Ratio	1.30	2.12	(0.82)	
- Total Debt	4,475.33	5,243.39		Since Some of the debts were closed down out of the procured capital by Private Placement, the debt equity ratio was improvised in the Financial Year 2022-23
- Shareholders Equity	3,455.19	2,478.83		
(c) Debt Service Coverage Ratio	1.04	0.93	0.11	
-Earnings available for debt service	1,664.96	1,814		Since Some of the debts were closed down out of the procured capital by Private Placement, the debt service coverage ratio was improvised in the Financial Year 2022-23
-Debt Service	1,598.09	1,954		
(d) Return on Equity Ratio	3.41	1.37	2.03	
- Net Profits after taxes - Preference Dividend (if any)	101.06	33.85		Since the company had closed some loans out of the procured capital by Private Placement in the Financial year 2022-23, its finance cost has been gradually coming down which may cause for the increased Net profit after tax in the Financial year 2022-23 and also increased capital resulted in more number of shares.
- Average Shareholder's Equity	2,967.01	2,461.90		
(e) Inventory turnover ratio (Pharmacy)	43 Days	28 Days	15 Days	
- Cost of Goods Sold or Sales	762.26	865.69		Increasing in Pharmacy Stock due to avoid stock out
- Average Inventory	90.08	66.04		
(f) Trade Receivables turnover ratio (Insurance Patients)	7.86	8.96	(1.10)	
- Net Credit sales	582.68	438.95		An Insurance coverage Patients are coming today in increasing trend than the last year
- Average Trade Debtors / Accounts receivable	45.77	39.32

Dr. Kavitha Fenn Arunkumar

(g) Trade payables turnover ratio, (Pharmacy)	19.72	17.97	1.75	
- Net Credit Purchases	804.61	871.41		No vast variance
- Average Trade Payables	158.67	156.56		
(h) Net profit ratio,	1.85%	0.58%	1.27%	
- Net profit	101.06	33.85		Since the company had closed some loans out of the procured capital by Private Placement in the Financial year 2022-23, its finance cost has been gradually coming down which may cause for the increased Net profit after tax in the Financial year 2022-23. For the sales concern, in the Financial year 2021-22, there were COVID revenue about Rs.8.00 Crores that may cause for the increased net sales in the year 2021-22. Further, in the Financial year 2022-23 the revenue was increased by Rs.2.38 Crores in respect of Trade receivable as Patients' pending amount.
- Net Sales	5,462.32	5,809.68		
(i) Return on Capital employed,	21.01%	29.32%	-8.30%	
- Earnings Before Interest and tax	725.99	726.69		Though net profit after tax was increased in the financial year 2022-23, An increased capital resulted in more number of shares. It is the reason for the reduced Return on capital employed in the financial year 2022-23
- Capital employed	3,455.19	2,478.83		
(j) Return on investment.	1.42%	0.44%	0.98%	
Net Profit	101.06	33.85		Though most of the investments were in depreciable assets and its value got depreciated on the basis of useful life of the assets, the net profit after tax was higher side in the financial year 2022-23, Hence, the return on investment was higher side in the Financial year 2022-23
Cost of Investment	7,116.70	7,661.10
