EMINENT DOCTORS SOUTH 2025

TAMILNADU + KERALA

KARNATAKA

ANDHRA PRADESH + TELANGANA

NEB MEDIA IS PLEASED TO PRESENT THE ANNUAL LISTING OF "EMINENT DOCTORS SOUTH " 2025, SPECIAL FEATURE SHOWCASES THE BEST NAMES IN THE DIVERSE FIELDS OF MEDICINE. THIS LISTING IS DERIVED ON THE BASIS OF A PEER SURVEY OF CONSULTANT DOCTORS IN THE SOUTH CONDUCTED BY US; WHICH IS THEN REVIEWED BY STAFF OF NEB MEDIA AND A FINAL LISTING IS GENERATED AND PRESENTED HERE. TO MAKE THE FEATURE MORE READER FRIENDLY THIS YEAR WE HAVE DIVIDED THE SOUTH FEATURE IN THE 3 TERRITORIES, NAMELY TELANGANA & ANDHRA PRADESH; TAMIL NADU & KERALA; AND KARNATAKA. THIS IS ALSO DONE TO ACCOMMODATE THE REPRESENTATION TO ALL THE DESERVING DOCTORS. AN OVERWHELMING RESPONSE WAS RECEIVED THIS TIME BUT DUE TO SEVERAL CONSTRAINTS, 6-7 DOCTORS WERE PICKED IN EACH CATEGORY. OUR APOLOGIES TO THE OTHER TOP DOCTORS WHO WERE SELECTED BUT COULD NOT BE FEATURED HERE THIS TIME.

TAMILNADU + KERALA

General and Minimally Invasive Surgeon

Dr. Firoz Khan M H is a Senior Consultant Surgeon and Group Coordinator in the Department of General and Minimally Invasive Surgery at KIMSHEALTH, Thiruvananthapuram, with over two decades of surgical expertise. He specialises in laparoscopic and minimally invasive procedures, including hernia repair, gallstone surgery, colon and rectal tumor management, thyroid and parotid surgery, bariatric surgery, breast surgery, and varicose vein treatments. Dr. Firoz Khan holds an MBBS and DNB in General Surgery from Government Medical College, Thiruvananthapuram, with advanced fellowships in laparoscopic and minimal access surgery. Known for his precision and patient-centred approach, he integrates innovative surgical techniques with enhanced recovery protocols, minimising complications and hospital stay. His contributions to modern surgery, combined with mentorship of junior surgeons, have positioned him as a leading figure in minimally invasive surgery, recognised nationally and internationally.

Dr. Madhu Sasidharan

Gastroenterology

Dr. Madhu Sasidharan is a distinguished Gastroenterologist and Hepatologist at KIMSHEALTH, Thiruvananthapuram, with nearly two decades of expertise in interventional gastroenterology and liver disease management. He specialises in therapeutic ERCP, advanced endoscopic procedures, and comprehensive care of liver disorders, including fatty liver disease, hepatocellular carcinoma, and complex biliary conditions. Dr. Madhu Sasidharan holds an MBBS from Government Medical College, Thiruvananthapuram, an MD from Stanley Medical College, and a DM in Gastroenterology from Mumbai University, along with a fellowship in liver transplantation. He is an active member of the Indian Society of Gastroenterology (ISG) and the Indian Medical Association (IMA). Renowned for his diagnostic precision and compassionate patient care, Dr. Madhu Sasidharan combines advanced procedural expertise with evidence-based clinical management. His contributions to research and academic training have earned him recognition nationally and internationally, positioning him as a leading authority in gastroenterology and hepatology.

Dr. Manish Kumar Yadav

Neuro and Interventional Radiology

Dr. Manish Kumar Yadav is a Senior Consultant Neuro and Vascular Interventional Radiologist at KIMSHEALTH, Thiruvananthapuram, with over a decade of expertise in minimally invasive, image-guided procedures. He specialises in neuro interventions such as cerebral angiograms, aneurysm coiling, AVM embolisation, and stroke management with mechanical thrombectomy, as well as vascular interventions including embolisation for hemoptysis and aortic aneurysms. Dr. Manish is also skilled in oncologic procedures including percutaneous biopsies and tumour ablation. He earned his MBBS and DMRD from Goa Medical College, followed by a DNB in Radiology, and advanced fellowships in neuro and vascular interventional radiology. An international scholar and faculty member of the Society of Interventional Radiology (USA), Dr. Manish is acclaimed for integrating cutting-edge technology with meticulous clinical practice. His work has contributed to improving patient outcomes in complex neurovascular and vascular conditions worldwide.

Dr. Ajith R

Neurosurgery

Dr. Ajith R is the Head of Neurosurgery at KIMSHEALTH, Trivandrum, with over three decades of experience in neurological and spine surgery. He specialises in complex spine procedures, neurotrauma management, minimally invasive endoscopic brain and spine surgeries, neurovascular interventions, and skull base surgeries. Dr. Ajith completed his MBBS at Government TD Medical College, Alleppey, with postgraduate training in General Medicine and a DNB in Neurosurgery. A former lecturer at Medical College, Trivandrum, he is admired for his empathetic approach and precision in managing challenging neurological conditions. Dr. Ajith integrates advanced surgical techniques with patient-focused care, ensuring optimal outcomes while minimising recovery time. His extensive clinical experience, combined with mentorship and contributions to research, has established him as a leading figure in neurosurgery in India and internationally.

Dr. Manoj Haridas

Orthopedics
(Hand and Microvascular Surgery)

Dr. Manoj Haridas is a Senior Consultant Orthopedic Surgeon at KIMSHEALTH, Trivandrum, specialising in hand and microvascular surgery, with over two and a half decades of clinical experience. He is internationally recognised for managing complex hand and upper limb conditions, including congenital anomalies, traumatic injuries, tumours, degenerative disorders, and complex fractures. Dr. Manoj Haridas expertise spans advanced microsurgical techniques, finger replantation, joint replacement, and reconstructive procedures. He holds an MBBS, MS, DO, and fellowship training in specialised orthopaedic care. A member of ISSH, ISRM, IOA, and the Brachial Plexus Surgeons Association of India, he is a frequent speaker at national and international conferences. Dr. Manoj Haridas is celebrated for his meticulous surgical skill, innovative treatment strategies, and dedication to patient-centred care, making him a leading authority in hand and upper limb surgery both nationally and abroad.

Dr. Muhammed Nazeer

Orthopedics

Dr. Muhammed Nazeer is a Senior Consultant Orthopedic Surgeon and Group Coordinator at KIMSHEALTH, Thiruvananthapuram, with over two decades of experience in orthopedics and trauma care. He is renowned for his expertise in joint replacement, arthroscopy, sports medicine, pediatric orthopedics,

management of complex fractures and robotic surgery. Dr. Muhammed Nazeer has successfully handled challenging surgical cases and is recognised for his precision in both elective and trauma-related procedures. He holds an MBBS, MS in Orthopaedics, FRCS (Glasgow), and multiple fellowships in pediatric orthopedics, arthroplasty, arthroscopy, and trauma. An award-winning researcher and international advisor to the Royal College of Physicians and Surgeons of Glasgow, Dr. Muhammed Nazeer combines clinical excellence with mentorship, contributing significantly to academic orthopedics.

His work emphasises evidence-based patient care, innovative surgical solutions, and multidisciplinary collaboration, positioning him among the leading orthopaedic specialists in India and internationally.

Dr. Praveen Murlidharan

Nephrology

Dr. Praveen Murlidharan is a leading Nephrologist, Senior Consultant and Medical Superintendent at KIMSHEALTH, Thiruvananthapuram, with nearly two decades of specialised expertise in complex kidney care, dialysis, and transplantation. Trained at the

University of Toronto, he is recognised for managing ABO-incompatible and multi-organ transplants and treating glomerular, diabetic, and hypertensive kidney diseases. Dr. Praveen Murlidharan earned his MBBS, MD, DM in Nephrology from KEM Hospital, and a DNB, combining rigorous academic training with advanced clinical skills. His practice encompasses hemodialysis, peritoneal dialysis, renal transplantation, and management of kidney stones and chronic kidney disease. Known for his meticulous clinical judgment and patient-centred approach, Dr. Praveen Murlidharan emphasises holistic care and evidence-based treatment strategies. He is widely respected both nationally and internationally for his contributions to modern nephrology and transplantation, making him a benchmark for excellence in kidney care.

Dr. Rafeekha P

Obstetrics & Gynecology

Dr. Rafeekha P is a Senior Consultant in Obstetrics & Gynecology at KIMSHEALTH, Trivandrum, with nearly three decades of experience. She specialises in infertility management, including IVE, ICSI, and IUI, as well as high-risk obstetrics, laparoscopic and hysteroscopic surgeries, and

advanced obstetric-gynecologic sonology.

Dr. Rafeekha completed her MBBS from TD Medical College, followed by DGO, DNB, and MNAMS.

She is a member of the Federation of Obstetric and Gynaecological Societies of India (FOGSI) and the Indian Society of Fertility, and is a prominent speaker at national and international conferences. Known for her calm, empathetic demeanour and meticulous clinical expertise, Dr. Rafeekha combines advanced reproductive and obstetric care with personalised patient attention.

Her leadership and clinical innovations have established her as a trusted authority in women's health and fertility.

Dr. Ramesh Natarajan

Cardiology

Dr. Ramesh Natarajan is a Senior Consultant and leading Interventional Cardiologist at KIMSHEALTH, Thiruvananthapuram, with over two decades of distinguished experience in advanced cardiac care. He has performed

more than 15,000 cardiac interventions, including complex coronary angioplasty, pacemaker and ICD implantation, balloon valvotomy, and device closure procedures for structural heart diseases.

Dr. Ramesh Natarajan is recognised for pioneering minimally invasive techniques in interventional cardiology, combining technical expertise with compassionate patient care. He earned his MBBS, MD, and DM in Cardiology, along with a DNB, and is a Fellow of the European Society of Cardiology. An active member of the Cardiological Society of India (CSI), Indian College of Cardiology (ICCK), and the Indian Medical Association (IMA), Dr. Ramesh Natarajan is widely respected for his clinical excellence, research contributions, and leadership in advancing cardiac healthcare standards at both national and international levels.

Dr. Saddiq M H

Pediatrics

Dr. Saddiq M H is a Senior Consultant Pediatrician and Neonatologist at KIMSHEALTH, Thiruvananthapuram, with over two decades of experience in pediatric and neonatal healthcare. He specialises in managing acute and chronic pediatric illnesses, neonatal intensive care, and

preventive child health services. Dr. Saddiq earned his MBBS in 1992, followed by a Diploma in Child Health (DCH), MD in Pediatrics, and DNB certification. A dedicated clinician and active member of the Indian Academy of Pediatrics (IAP) and Indian Medical Association (IMA), he emphasises compassionate care, precise clinical assessment, and evidence-based treatment. His approach integrates cutting-edge pediatric practices with individualised attention for each child.

Dr. Saddiq's extensive experience in neonatal and pediatric care has earned him recognition for improving outcomes in newborn health and child wellness, both regionally and internationally.

Dr. Suresh Chandran

C J - Neurology

Dr. Suresh Chandran C J is a Senior Consultant Neurologist at KIMSHEALTH, Thiruvananthapuram, with nearly two decades of clinical and academic expertise. He specialises in acute neurology, stroke management, epilepsy, movement

disorders, headaches, sleep disorders, and neuroimmunology.

Dr. Suresh Chandran has published extensively in leading journals, reflecting his commitment to advancing neurological research and patient care. He holds an MBBS, MD from AIIMS New Delhi, DM from KEM Mumbai, DNB in Neurology, and a Fellowship in Interventional Pain Management.

A Diplomate of the European Board of Neurology and Secretary of the Kerala Association of Neurologists, Dr. Suresh Chandran is widely recognised for combining academic rigor with compassionate, individualised care. His contributions in interventional neurology and complex neurological conditions have earned him both national and international recognition.

Dr Abraham Kurian
M.B.B.S., MS (General Surgery), DNB
Senior Consultant Urologist
SIMS Institute of Renal Science
SIMS Hospital, Chennai

Dr. Abraham Kurian is a senior urologist with 26+ years of experience in the comprehensive management of complex urological and renal disorders. His clinical focus includes

endourology, minimally invasive stone surgery, laser procedures for prostate and stone disease, laparoscopic urological surgeries and management of uro-oncological conditions. He is experienced in advanced diagnostic and therapeutic interventions for kidney, ureter, bladder and prostate pathologies. Known for his precision-driven, evidence-based approach, Dr. Kurian plays an integral role in delivering advanced, patient-centred urological care at SIMS, with a strong emphasis on improved functional outcomes and rapid recovery.

Dr Clement Joseph
M.B.B.S., MS (Orthopaedics)
HOD & Senior Consultant - Arthroscopy and Sports Medicine

Dr. Clement Joseph is a senior orthopaedic surgeon with over 28+ years of experience, specialising in advanced arthroscopic and sports injury

reconstruction with extensive experience in managing high-demand joint pathologies. His expertise includes complex ACL, PCL and multi-ligament reconstructions, revision ligament surgeries, meniscal repair and transplantation, cartilage restoration techniques and advanced shoulder stabilisation procedures. As Head of Arthroscopy & Sports Medicine, he leads advanced minimally invasive procedures including knee and shoulder arthroscopy, ligament reconstruction, rotator cuff repair, cartilage restoration and sports injury rehabilitation.

Dr Dinesh Ramaswamy
M.B.B.S., MS, DNB, M. Ch
Senior Consultant Surgical Gastroenterologist
SIMS Hospital, Chennai

Dr. Dinesh Ramaswamy is a distinguished Senior Consultant Surgical Gastroenterologist, GI Oncosurgeon, Advanced Laparoscopic and robotic Surgeon with over 18+ years of

experience. He specialises in surgical gastroenterology, bariatric surgery, minimally invasive procedures, GI oncology, and complex laparoscopic surgeries. Renowned for his precision, innovation, and patient-focused approach, Dr. Dinesh delivers consistently excellent outcomes. An active contributor to leading surgical associations, he remains committed to advancing gastrointestinal surgery while providing cutting-edge, compassionate care to every patient.

Dr Durai Mavalavan
M.B.B.S., M.D.(General Medicine), D.M.(Medical Oncology)
Senior Consultant Medical Oncology
SIMS Hospital, Chennai

Dr. Durai Mavalavan is a highly skilled medical oncologist with more than 2 decades of clinical experience in the comprehensive management of solid tumours and hematological malignancies.

With a super-specialisation in oncology, he delivers personalised, protocol-driven cancer care using the latest modalities including chemotherapy, targeted therapy, immunotherapy and supportive oncology interventions. Actively collaborating with surgical and radiation oncology teams, Dr. Duraimavalvan plays a key role in SIMS' multidisciplinary cancer care approach, ensuring improved clinical outcomes and enhanced quality of life for patients.

Dr Karthikeyan
M.B.B.S., MS, M.Ch
Director and Senior Consultant
SIMS Institute of Craniofacial,
Aesthetic & Plastic Surgery
SIMS Hospital, Chennai

Dr. G. Karthikeyan is a celebrated plastic and reconstructive surgeon with 35+ years of distinguished clinical and academic experience.

A former Professor & Head of Hand and Reconstructive Microsurgery at a TN government multispecialty hospital, he is revered as a pioneer in hand surgery and microsurgical reconstruction. His expertise spans hand trauma surgery, congenital hand deformities, brachial plexus injuries, burn-sequelae reconstruction, and complex microsurgical procedures. Besides his clinical practice, Dr. Karthikeyan engages in teaching and mentorship and contributing to numerous publications.

Dr Ritesh Nair
M.B.B.S., M.D.(Internal Medicine),
D.M. (Neurology) Director &
Senior Consultant Interventional Neurology
SIMS Institute of Neuroscience
SIMS Hospital, Chennai.

Dr. Ritesh Nair is a highly skilled interventional neurologist with over 27+ years of experience, specialising in endovascular management of acute

stroke and complex cerebrovascular disorders. His expertise includes not limiting to mechanical thrombectomy, intra-arterial thrombolysis, intracranial and extracranial stenting, angioplasty, aneurysm coiling and vascular malformation management. He is proficient in advanced neurovascular imaging and catheter-based interventions for time-critical neurological emergencies. Dr. Ritesh plays a key role in driving rapid-response stroke protocols and multidisciplinary neurovascular care, delivering evidence-based, outcome-driven treatment and improved functional recovery for patients with acute and chronic cerebrovascular conditions.

Dr Pramod Jaiswal
M.B.B.S., M.D.(General Medicine), D.M.(Cardiology)
Senior Consultant - Cardiology,
SIMS Institute of Cardiac Sciences
SIMS Hospital, Chennai.

Dr. Pramod Kumar Jaiswal, MBBS, MD, DM (Cardiology), is a veteran interventional cardiologist with over 38

years of overall experience in cardiac care. Known for his clinical acumen and bedside manner, he specialises in a broad spectrum of advanced procedures including single- and multivessel PTCA, radial and femoral stenting, complex left-main & bifurcation angioplasty, emergency primary angioplasty for acute myocardial infarction, peripheral and renal angioplasty, balloon mitral valvuloplasty, pacemaker implantation and management of structural heart disease.

Dr Saravanan Periyasamy
DNB (Gen. Surg.), MRCS (EDIN),
MCh (Surgical Oncology)
Director and Senior Consultant
SIMS Institute of Oncology
SIMS Hospital, Chennai

Dr. Saravanan Periyasamy is a highly accomplished surgical oncologist with over 28+ years of surgical experience in managing

complex and advanced cancers. With over 2 decades of surgical experience, he leads comprehensive cancer surgical services spanning head & neck, gastrointestinal, thoracic, breast, gynecologic, urologic, soft tissue and musculoskeletal malignancies. His expertise includes advanced minimally invasive and organ-preserving oncological surgeries, ensuring precision, functional outcomes and faster recovery. Known for his meticulous surgical planning, he has been instrumental in establishing the multidisciplinary cancer care.

Dr RaviKiran
M.B.B.S., M.D.(Internal Medicine), D.M.(Endocrinology)
Senior Consultant Medical Endocrinology
SIMS Hospital, Chennai

Dr. Ravikiran is a highly respected endocrinologist with more than 2 decades of extensive expertise in the diagnosis and

management of complex hormonal and metabolic disorders. With advanced training in internal medicine and endocrinology, he specialises in diabetes management, thyroid disorders, adrenal and pituitary diseases, metabolic bone disorders and obesity-related conditions. Known for his precise clinical approach, evidence-based treatment planning and outcome-focused management, Dr. Ravikiran delivers personalised, technology-driven endocrine care.

Dr Senthil Ganesan
M.B.B.S., MS (General Surgery),
M Ch (Surgical Gastroenterology)
Senior Consultant Surgical Gastroenterologist
SIMS Hospital, Chennai

Dr. Senthil Ganesan is a leading Senior Consultant in Surgical Gastroenterology and GI Oncology with over 18+ years of experience. He is renowned for his expertise in advanced

laparoscopic (keyhole) and robotic surgeries and complex gastrointestinal cancer treatments. He has specialised proficiency in hepatobiliary and pancreatic surgery, including liver, biliary tract, and pancreatic procedures, as well as intricate GI oncologic interventions. Known for his precision, innovative surgical techniques, and compassionate care, Dr. Ganesan consistently delivers exceptional outcomes. He is an active member of prominent national and international surgical associations, driving advancements in minimally invasive and oncologic surgery.

Dr Vivek Iyer

M.B.B.S., M.D.(Internal Medicine), D.M. (Neurology)
Joint Director & Senior Consultant Neurology
SIMS Institute of Neuroscience
SIMS Hospital, Chennai.

Dr. Vivek Iyer is a highly accomplished neurologist with over 18+ years of clinical experience in the diagnosis and management of complex neurological disorders. His clinical expertise encompass acute stroke care, epilepsy and refractory seizure disorders, movement disorders including Parkinson's disease, neuromuscular diseases, multiple sclerosis, headache syndromes and neurodegenerative conditions. As part of the leadership team at the SIMS Institute of Neuroscience, he is actively involved in multidisciplinary care pathways integrating neurology, neurosurgery, interventional neuroradiology and neuro-rehabilitation.

Dr Erika Patel

M.B.B.S., MS - Obstetrics & Gynaecology, MCh - Reproductive Medicine and Surgery
Clinical Lead & Senior Consultant - IVF
SIMS Penmai
SIMS Hospital, Chennai

Dr. Erika Patel is an experienced reproductive medicine specialist with over 16+ years of experience. She has advanced expertise in complex infertility and assisted reproductive technologies. As Clinical Lead of IVF, she directs protocol-based ovarian stimulation, follicular monitoring, oocyte retrieval, ICSI, blastocyst culture, time-lapse embryo assessment, vitrification and frozen embryo transfer cycles. Her subspecialty focus includes diminished ovarian reserve, recurrent implantation failure, endometriosis-associated infertility, PCOS, advanced maternal age and male-factor infertility, including surgical sperm retrieval coordination. Known for her data-driven cycle optimisation and personalised protocols, Dr. Patel delivers consistently improved reproductive outcomes.

Dr. Mohammed Idhrees

M.S.(General Surgery), M.Ch, FAIS
Consultant Cardiothoracic Surgeon
SIMS Institute of Cardiac & Advanced Aortic Disorders
SIMS Hospital, Chennai.

Dr. A. Mohammed Idhrees, MS, MCh, FAIS brings more than 15+ years of high-volume cardiac surgery experience and a record of accomplishment of complex surgical success.

His core skills include coronary artery bypass grafting (CABG), precision heart-valve repair or replacement and complex aortic surgery for which he underwent advanced training in Italy. He has authored over 80 national and international publications, served on editorial boards of leading journals and introduced four pioneering surgical techniques along with a novel embryological insight in cardiac surgery.

Prof. Dr. A. S. Arunkumar

Clinical Lead, Intensive Care Unit
Kauvery Hospital, Radial Road, Chennai

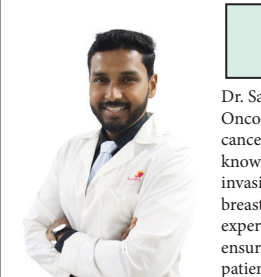

A nationally recognised authority in critical care medicine, Prof. Dr A S Arunkumar has led advancements in intensive care across India and pioneered formal critical care training programmes in the country. With decades of expertise in multi-organ failure management and complex life-saving interventions, he is well-known for integrating global best practices into ICU protocols and shaping the future of critical care with innovation, leadership, and compassion.

Dr Ponniah Vanamoorthy

Head and Senior Consultant, Neuroanesthesiology & Neurocritical Care
Kauvery Hospital, Radial Road, Chennai

He is an experienced neuro-intensivist specialising in neurocritical care for traumatic brain injury, spinal injury, stroke and complex neuro-immune conditions. With strong expertise in neuroanaesthesia and perioperative care for advanced neurosurgical procedures, he focusses on precision medicine and multimodal neuromonitoring to deliver highly specialised, outcome-driven care for critically ill neurological patients.

Dr Sathish Kumar Anandan

Senior Consultant - Surgical Oncology & Robotic Surgeon
Kauvery Hospital, Vadapalani, Chennai

Dr. Sathish Kumar Anandan is an AIIMS-trained Surgical Oncologist with over a decade of experience in advanced cancer care. A certified Da Vinci Xi Robotic Surgeon, he is known for performing precision-driven, minimally invasive procedures across gastrointestinal, gynecological, breast, urological, thyroid, and head & neck cancers. His expertise also extends to complex geriatric oncology, ensuring safer, personalised surgical options for older patients. Having trained at leading cancer centres in Singapore and Tokyo, and honoured with Gold Medals in both M.Ch. and M.S., Dr. Sathish blends clinical excellence with compassionate, technology-enabled cancer treatment.

Prof. Dr M M Kavitha

Consultant, Rheumatology
Kauvery Hospital, Radial Road, Chennai

She is an experienced rheumatologist specialising in inflammatory arthritis and autoimmune connective tissue diseases, like lupus, scleroderma, vasculitis, myositis, and IgG4-related disorders. She is skilled in administering biologics and advanced disease-modifying therapies with minimal steroid use. Her key expertise includes managing complex lupus and antiphospholipid syndrome cases, particularly those linked to recurrent pregnancy loss.

Dr Shubha Subramanian

Senior Consultant - Neurology
Kauvery Hospital, Vadapalani Chennai

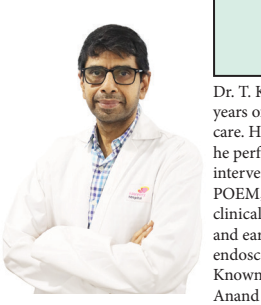

Dr. Shubha Subramanian is a seasoned neurologist with over 15 years of expertise in managing complex neurological disorders. She is skilled in treating stroke, epilepsy, dementia, movement disorders, demyelinating illnesses, and neuromuscular diseases. Her proficiency spans doing procedures like lumbar puncture, EMG, botox injections and reporting EEG, Nerve Conduction Studies. She has been an integral member of advanced movement disorder and DBS teams. With a strong interest in Neuro critical Care, Neuro intervention and Cognitive Neurology, Dr. Shubha is widely respected for her precise clinical judgement and deeply patient-centred approach to neurological care.

Dr Shivakumar D

Senior Consultant - Nephrology
Kauvery Hospital, Vadapalani Chennai

Dr. Shivakumar D is a highly respected nephrologist acclaimed for his expertise in complex renal transplantation and interventional nephrology. He was part of the pioneering team behind India's first government-sector ABO-incompatible renal transplant, an achievement that set new standards in public healthcare. Internationally trained in Dallas, he excels in CAPD catheter insertion, USG-guided kidney biopsies, and advanced vascular access. A dedicated academic, he has shaped nephrology training for over a decade at reputed institutions. Dr. Shivakumar is known for delivering thoughtful, precise, and forward-thinking kidney care.

Dr T K Anand

Senior Consultant - Medical Gastroenterology & Interventional Endoscopist
Kauvery Hospital, Vadapalani Chennai

Dr. T. K. Anand is a leading Gastroenterologist with over twelve years of expertise in advanced endoscopic and digestive disease care. Highly regarded for his skill in interventional endoscopy, he performs complex ERCPs, EUS-guided sampling and interventions, and cutting-edge third-space procedures such as POEM, ESD, EMR and STER with exceptional precision. His clinical work spans reflux disorders, IBD, pancreatic diseases, and early GI cancers, delivering both curative and palliative endoscopic solutions. Known for his meticulous, patient-focused approach, Dr. Anand blends innovation with compassionate care to ensure superior outcomes and long-term digestive health.

Dr. C. Selvi

Senior Consultant - Interventional, Transplant Pulmonologist
& ILD Specialist
Kauvery Hospital, Vadapalani, Chennai

Dr. Selvi C is a leading voice in advanced pulmonary and transplant medicine, renowned for her expertise in ILD, pulmonary hypertension, and end-stage lung failure. With involvement in over 250 lung transplants, 35 heart-lung transplants, and the management of 150+ ECMO patients, she stands among the country's most experienced specialists. A pulmonology gold medalist, she serves as Joint Secretary of the Indian Society of Heart & Lung Transplantation and is a certified ECMO trainer. Mastering a wide spectrum of cutting-edge interventions, Dr. Selvi delivers world-class, life-restoring respiratory care.

Dr. Sowmya Sridharan

Consultant - Infectious Disease,
Kauvery Hospital Alwarpet

Dr. Sowmya Sridharan holds MBBS, MD (General Medicine), FNB (Infectious Diseases), MRCP (UK) and CIC (USA), reflecting her strong academic foundation. She specializes in complex infections, antimicrobial resistance, transplant-related infections and critical-care illnesses. Her research includes significant work on invasive fungal infections, rare pathogens and infections in immunocompromised patients. She has authored textbook chapters and is a regular speaker at national and international medical forums. She is recognized for her thoughtful clinical judgment, empathetic approach, and dedication to delivering the highest standard of care.

Dr. Suresh Kumar B

Consultant - Medical Oncology,
Kauvery Hospital Alwarpet

Dr. Suresh Kumar B is a compassionate Medical Oncologist who has successfully treated and cured thousands of patients through advanced, evidence-based cancer care. He has strong expertise in Immunotherapy, Targeted Therapy, Chemotherapy, Hormonal Therapy, and Precision Oncology, and is actively involved in delivering personalized treatment plans. He also has significant experience in Bone Marrow and Stem Cell Transplantation and clinical research. Dr. Suresh has received multiple awards for excellence in oncology and is widely known for his ethical practice, empathy, and unwavering dedication to patient well-being.

Dr. Venkatraman Karthikeyan

Consultant - Neurologist,
Kauvery Hospital Alwarpet, Chennai

Dr. Venkatraman is an experienced Neurologist with 15 years of experience, specializing in neuroimmunology and movement disorders. He received his training at the Walton Centre for Neurology in the UK. His expertise includes Multiple Sclerosis (MS), Neuromyelitis Optica Spectrum Disorder (NMOSD), Myelin Oligodendrocyte Glycoprotein Antibody-Associated Disease (MOGAD), Myasthenia Gravis, Parkinson's disease, and Dystonia. He is skilled in Electromyography (EMG) and Ultrasound-Guided (USG) Botulinum toxin therapy, advanced therapeutics including apomorphine therapy and expert in Deep Brain Stimulation (DBS) for Parkinson's disease, essential tremors, and dystonia.

Prof. Dr. Ajith Pillai

Head of Department, Cardiology
Kauvery Hospital, Radial Road, Chennai

A trailblazer in interventional cardiology, Prof. Dr. Ajith Pillai is known for his pioneering work in complex coronary interventions. With extensive academic contributions and years of global clinical expertise, he brings cutting-edge cardiac care to the forefront. His proficiency in minimally invasive cardiac procedures continues to shape the future of heart health in India.

Vascular Surgery

Dr. Joyner Abraham

Consultant - Minimal Access Surgery,
Kauvery Hospital Alwarpet

Dr. Joyner Abraham is a distinguished Minimal Access and Robotic Surgeon with an exceptional academic background—MBBS, MS, DNB, MCh (Minimal Access Surgery) from AIIMS New Delhi, and MRCS (England). With over 5,000 complex minimally invasive and robotic procedures, he specializes in Hernia and Abdominal Wall Reconstruction, Thyroid, Breast and Endocrine Surgery, Bariatric Surgery, Gallbladder and HPB

operations, GI procedures, Laser Proctology, and Thoracic Surgery. Known for precision, compassionate and outcome-focused care, he is trusted by patients and peers alike.

Dr. P. Keerthivasan

Consultant - Orthopaedic Spine Surgery,
Kauvery Hospital Alwarpet

Dr. Keerthivasan is a leading Orthopaedics and Spine Surgery Specialist, known for his expertise in complex spine disorders, joint issues and trauma care. He specializes in minimally invasive spine procedures, endoscopic spine surgery, joint replacements and advanced musculoskeletal treatments. With a strong focus on precise

diagnosis and personalised care, he is committed to helping patients regain mobility and quality of life. Recognized for his skill and patient-centric approach, he is regarded as one of Chennai's trusted orthopaedic specialists.

Dr. Krish Sridhar

Group Mentor, Neurosciences & Director,
Institute of Brain & Spine, Neurosurgery
Kauvery Hospital, Radial Road, Chennai

A globally renowned neurosurgeon with over four decades of experience, Dr. Krish Sridhar is a pioneer in skull base and brain tumor surgeries. Currently the Group Mentor, Neurosciences & Director of the Institute of Brain & Spine at Kauvery Hospital, Radial Road, he is acclaimed for his precision, innovation, and leadership in complex neurosurgical procedures, making him a name of immense trust in the field of neurosurgery.

Dr. S. Jayaraman

MBBS, DTCD, DNB, FCCP

Senior Consultant Pulmonologist MGM Health Care, Billroth & Apollo First Med Hospitals, Chennai. Sri Jayam Chest & Sleep Clinic, Chennai. Special interest in Interventional Pulmonary and Sleep Medicine.

• Chairperson MGM Academics - Academic Committee of Indian Medical Association, Tamil Nadu

State Branch. (IMA TNSB)

KARNATAKA

Dr (Prof.) DWARAKANATH SRINIVAS
Professor and Unit Head, Neurosurgery,
NIMHANS

An Alumnus of PGIMER, Chandigarh and AIIMS, New Delhi. Also, the Best outgoing student from Bangalore Medical College for MBBS winning 12 Gold medals and prizes. He has done pioneering work on Deep Brain Stimulation, Pediatric neurosurgery, Cerebrovascular and Skull Base surgery. Has published more than 250 peer reviewed papers, 19 chapters and has been awarded multiple research grants including DBS of OCD and Development of Robotics for Neurosurgery. He also holds 2 patents. He currently is The Chair of Board of Education, Neurological Society of India and Member WFNS (Cerebrovascular subdivision). He is also the President Elect, ISSFN and Bangalore Neurological Society as well as the Secretary, Cerebrovascular Society of India and Skull Base Society of India. He is the Author of the WFNS Textbook on Microneurosurgery for Brain Aneurysms. He is also the President of the Parkinson Society of Karnataka. He is also on the editorial board of several peer reviewed journals. He was awarded the Sir CV Raman Award for Medical Sciences by the Karnataka Government in 2024.

Dr H K Susheen Dutt
Additional director , Dept of ENT , cochlear implant and skullbase surgery , fortis hospitals , Bannerghatta Road , Bangalore

Dr H K Susheen Dutt is a additional director ENT , cochlear implant and skullbase surgeon , Bangalore with a rich experience of 18 years . He is currently the director of Datta's speciality ENT centre and the lead consultant at Fortis hospital , Bannerghatta Road , Bangalore

- Fellowship trained in advanced endoscopic sinus and anterior skullbase surgery (Trichy & Singapore)
- Certificate training in cochlear implants & lateral skullbase surgery (Italy)
- Specialist in middle ear reconstruction, cochlear implants and bone conduction hearing implants , lateral skullbase procedures.
- Specialist in advanced endoscopic sinus & anterior skullbase surgery.
- Dr Susheen Dutt has been successfully running fully free CSR funded cochlear implant program for the underprivileged children for the last 4 years .

Dr. (Prof.) Suman Rao PN MD, DM
Prof. & Head, Dept. of Neonatology,
St. John's Medical College Hospital, Bangalore
Consultant, World Health Organization, Geneva

Pioneering research and international expert in Kangaroo mother care. She is keen on low-cost innovations, an avid researcher, a

zealous teacher and is passionate on improving newborn care globally with motto of quality newborn care EVERYWHERE.

Dr. Manjunath B G

MD, DM (PCCM), EDRM.
MEDICOVER HOSPITAL, Bengaluru.

• Dr Manjunath B G is one of the few superspecialist pulmonologists in Bengaluru, having done his DM(PCCM) & has an experience of 16+ years in the field. His expertise is in dealing with all kinds of respiratory diseases, Sleep-Disordered-Breathing and Critical-Illnesses. His notable achievements are as follows:

- Member, Empowered group 3, NTF(Adult-Covid-Care-Training-Module), Govt of India.
- Young scientist sponsorship for oral presentation titled "Evaluation of upper airway anthropometry by ultrasonography in OSA patients" at ERS Congress 2018 at Paris.
- Prize for best oral presentation CRITICARE 2018.
- Member: ICS committees for guidelines on EBUS TBNA & NIV, ISCCM committee on Use of procalcitonin to guide antibiotic usage
- Publications & Research: Multiple publications in reputed international & national journals, Chapters in Medical books.

Dr. Rakshay Shetty

MD, FRCPC, FICCM
Head, Pediatric Intensive Care Services
Rainbow Children's Hospital Marathahalli, Bangalore

An alumnus of PGIMER, Chandigarh and SickKids, Toronto, Dr Rakshay Shetty

heads a 24-bed quaternary-care Paediatric ICU at Rainbow Children's Hospital, Marathahalli, Bengaluru. An honorary Fellow of Royal College (UK) and ISCCM, he serves as Principal, Faculty of PCCM – ICP, and founded PediSTARS, India's simulation society. By using simulation training and immune therapies for severe dengue, he is committed to safe, evidence-based, family-centred intensive care across India and beyond.

Dr. Sandeep Nayak

Surgical Oncology
& Robotic Surgery at KIMS Hospitals

Dr. Sandeep Nayak is Chairman, Oncology Services (Karnataka) and Executive Director, Surgical Oncology & Robotic Surgery at KIMS Hospitals, and Chief of Surgical Oncology at

MACS Clinic, Bengaluru. He provides minimally invasive (laparoscopic and robotic) cancer surgery, aiming for smaller incisions, less pain, and quicker recovery where appropriate. He is known for developing RABIT (robotic thyroid surgery) and RIA-MIND (robotic neck dissection). His practice includes thyroid and head-neck, gastrointestinal and colorectal (sphincter-sparing ISR), thoracic, and urologic cancers. He also teaches surgeons, publishes research, and has received national and international recognitions.

Dr. Vikram Huded

MD ; DM ; FIN ; FWSO
Director and Clinical Lead -
Interventional Neurology for NH group
Sr. Consultant Interventional Neurologist

Dr. Vikram Huded is a renowned authority in Neurointerventional Medicine, distinguished for his trailblazing work in stroke and

neurovascular procedures across India and Asia. Till date, he has performed over 9,000 neurointerventional procedures that include carotid and intracranial stenting, coiling and flow Divertor stenting for aneurysm. He received the "Best Interventional Stroke Care Provider in India" award in 2024. He is President-Elect of the Indian Stroke Association (2025). He is recognized for his expertise in clinical innovation, research, education, and leadership in neurosciences.

Dr Pradeep Ishwarappagol

Dr. Ravi Mohan Rao B

, Director & Senior Consultant – Neurosurgery at
KIMS Hospitals, Bengaluru
(Krishna Institute of Medical Sciences)

With more than three decades of experience, Dr. B. Ravi Mohan Rao is a highly respected neurosurgeon with in-depth expertise in complex brain and spine surgery. He holds an MBBS from Bangalore Medical College, Bengaluru; an MS (General Surgery) from J.N. Medical College, Belgaum; an M.Ch (Neurosurgery) from NIMHANS, Bengaluru; and a DNB (Neurosurgery) from the National Board of Examinations, India. His specialties include skull base surgery, cerebrovascular disorders, epilepsy surgery, movement disorder surgery including Deep Brain Stimulation, endoscopic pituitary and skull base procedures, and image-guided neurosurgery. He has performed over 700 epilepsy surgeries and more than 75 DBS procedures with strong clinical outcomes. A dedicated academic contributor, Dr. Rao has 40+ peer-reviewed publications and is regularly invited as faculty for national neurosurgical training programmes and workshops.

Dr. Chandrashekar P

Director - Orthopaedics
MS (Orthopedics),
FIJS (Germany, USA, Belgium & South Korea)

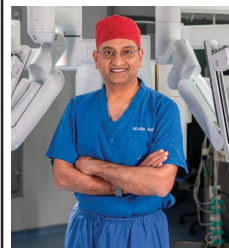

Dr. Chandrashekar P. is a leading Orthopaedic and robotic Joint Replacement Surgeon with advanced training from Germany, Belgium, South Korea, and the USA. A pioneer in robotic Knee Replacement Surgery in India, he specializes in Arthroscopy, Sports Medicine, Ligament Reconstruction, Meniscal Transplant, and designer surgeon of indigenous robot Misso used for joint replacement and Global advisor for active robot Cuvis uses for Joint replacement. He performs over 2,000 joint replacements annually and completes 1,000 meniscus repairs each year. He is a pioneer in artificial ligament and meniscus transplant surgery in India, and his expertise extends to complex revision surgeries for failed joint replacements. To his credit, he has performed more than 50,000 orthopedic surgeries and 12,000+ joint replacement surgeries to date. He also trains surgeons from India and across the globe in advanced knee surgeries.

Dr Sreekanth Shetty

Director & HOD - Cardiology
MD (General Medicine), DM (Cardiology),
Fellow of European Society of Cardiology

He received his undergraduate medical training at JJMMC, Davanagere followed by postgraduation and superspecialisation at KEM Hospital, Mumbai and Grant Medical College, Mumbai respectively with honours. He has been practising as an interventional cardiologist at Bengaluru since 20 years. He has vast experience in cutting edge procedures like Complex angioplasties (CTO, left main, calcified lesions), intra coronary imaging & physiology (IVUS, OCT, iFR), TAVI and Mitra Clip amongst others. He has received training in advanced techniques at prestigious institutions like National Heart Hospital, Singapore, Asan Medical Center, Seoul, New Tokyo Hospital, Tokyo and Karolinska University Hospital, Stockholm. He is academically accomplished and regularly presents in prestigious meetings.

Dr. Adil Sadiq

Director and Head - Cardio Thoracic & Vascular
Surgery (CTVS), MS (General Surgery), M.Ch
(CTVS), FACS (USA), FMICS (USA)
Department - Institute of Cardiac Sciences

One of the pioneers of minimally invasive and robotic heart surgery in India. An alumnus of Bangalore Medical College and Kasturba Medical College, Manipal. He completed his MCh from Sree Chitra Tirunal Institute at Trivandrum, before pursuing his fellowship at Emory university, USA. He also trained at the Children's Hospital of Atlanta. In 2012 he became one of the first surgeons from India to be certified in Robotic heart surgery. He caters to a diverse spectrum of cardiothoracic surgery, with a experience of over 12500 procedures, including 65 heart and lung transplants. He is credited with running not only the busiest Robotic Cardiac surgical program in the country, but also one of the busiest in Asia, in addition to holding the record for the fastest 500 robotic cardiac cases in the world. He is the recipient of the Times of India award for Excellence in cardiac surgery in 2018 for his pioneering work with the Ozaki procedure.

Dr Praveen Mereddy

MS (Orth), DNB (Orth), MRCS Ed, MCh (Orth), FRCS (Tr and Orth)
Senior Consultant Orthopaedic Surgeon,
Star Hospitals, Nanakramguda, Hyderabad

Experience: 25 years
Expertise: Revision Hip and
Knee Replacements, Pelvic
Acetabular Trauma. An

alumnus of KMC Mangalore, trained further in renowned hospitals in south India for over 2 years and in the UK for 10 years.

Since his return 13 years ago, he has been in team practice in India and has been able to provide passionate care with skill and safety.

He has chosen quality as utmost priority and has excellent outcomes. He has 17 publications, recognised fellowships from USA and UK.

Dr. C Aparna

She is currently **Clinical director, Neonatology and senior consultant pediatrics, KIMS Cuddles Hospital, Hyderabad.** With nearly 15 years' experience in the field of pediatrics and neonatology, she caters to extremely preterm neonates starting from 24 weeks, neonates requiring cardiac

surgeries, inhaled nitric oxide etc. She was interviewed by NDTV for saving the smallest neonate with covid. With more than 20 publications in indexed journals and 25 book chapters as author as well as editor, she is a reviewer in national and international journals. She has contributed to national neonatology guidelines as an author and as reviewer. She is an astute academician with more than 75 guest lectures at conferences, and she started neonatology fellowship training as well as DrNB neonatology program in her unit, and is a neonatal Fellowship examiner as well as Fellowship centre assessor. Some awards she has received include the **Dr. S.S. Manchanda Award** for Best Research Paper, "Young Achiever in Neonatology" awarded by the Times of India.

Dr. Nagendra Parvataneni

MS, MCh (Surgical Oncology), Robotic Surgery (USA), Oncoplastic Breast Surgery (Taiwan)
Senior Consultant and Head, Department of Surgical Oncology, KIMS Hospitals

Dr. Nagendra Parvataneni is a distinguished cancer surgeon with 27 years of operative experience, known for his precision and

expertise in breast, thyroid, and colorectal surgeries. A pioneer in robotic oncology in South India, he excels in performing complex procedures with minimally invasive and organ-preserving techniques. His surgical outcomes and technical mastery have earned him multiple national accolades in the field of cancer surgery.

Dr Krishna Patil

Dr. Krishna Vijaykumar Patil is a distinguished Nephrologist at Apollo Hospitals, Jubilee Hills, Hyderabad, with over 12 years dedicated service in the field of kidney transplantation,

glomerular diseases, and dialysis care. He has been instrumental in setting up structured clinical services, including a specialized CKD Clinic, and has actively contributed to advancing transplant nephrology practices in India. Dr. Patil is also known for his collaborative spirit working closely with renal pathologists and researchers to bridge clinical and histopathological insights, and contributing to a widely appreciated book on renal pathology. He is deeply committed to patient education, quality improvement, and academic mentorship. His initiatives in forming nephrology group practices and integrating research into routine care reflect his vision for sustainable and patient-centered kidney care. With an unwavering commitment to excellence, ethics, and innovation, Dr. Patil stands out as a leader shaping the future of nephrology in India.

ultrasound in Neonates (POCUS), Pediatric allergy and Gut health.

Dr. Ashok Raju Gottemukkala

Dr. Ashok Raju Gottemukkala is a
distinguished orthopedic surgeon ,
presently the Director and Senior consultant
at CARE hospitals-Hitech, Hyderabad.
Dr. Ashok Raju is highly regarded for
managing complex fractures like Pelvic-
acetabulum trauma, Periarticular trauma,
and Revision trauma surgeries with a
meticulous approach that prioritizes patient

safety and functional recovery. He is also a master in Joint Replacement
esp Knee and Hip joint and plays a key role in delivering advanced
orthopedic solutions like Robotics that combine precision, innovative
and compassionate care. He is widely recognised for his surgical
treatments on Hip joint pathology which ranges from Hip Joint
Preservation to Hip Replacements with the latest approach (DAA).
Beyond clinical practice, he is actively involved in international and
national orthopedic education. His colleagues value his technical
excellence, while young surgeons look to him as an inspiring mentor
dedicated to raising standards in modern orthopedic care.

Dr. Laxminadh Sivaraju

MBBS, MCh (Neurosurgery)
Sr. Consultant – Neurosurgeon & Spine Surgeon
CARE Hospitals, Hi-tec City, Hyderabad

A HIGHLY SKILLED EXPERT WITH 18 YEARS OF EXPERIENCE IN PERFORMING COMPLEX NEURO SURGERIES

Dr. Laxminadh completed his M.B.B.S from Osmania
Medical College, Hyderabad and MCh in Neurosurgery from
CMC, Vellore, Tamil Nadu. He further received fellowship in
Minimal invasive endoscopic skull base surgery from
Germany.

With a wealth of experience in tertiary healthcare, he has
worked at leading institutions including Sathya Sai Institute,
Bangalore, and Continental Hospitals, Hyderabad.

Dr. V. Nagarjuna Maturu

Pulmonologist,
Yashoda hospitals, Hitec city,
Hyderabad.

Dr. V. Nagarjuna Maturu, heads the department of
pulmonology at Yashoda Hospitals, Hitec City,
Hyderabad. With a vision to improve patient
outcomes, he has started "Pulmonary Precision
Clinics" for Severe asthma, COPD, ILD and
bronchiectasis. In 2024, he has started India's first
"Lung Nodule Clinic" which aims at diagnosing lung

cancer at an early stage when it can be cured. In 2025, as we enter the era of
Artificial Intelligence (AI), he has launched two AI enabled lung clinics – one
for detecting nodules on Chest X-ray, and the other for characterizing interstitial
lung diseases. Interventional Pulmonology is one of his key areas of interest. He
has introduced several new technologies (Navigational bronchoscopy,
Bronchoscopic thermal vapour ablation, Biodegradable airway stents,
Bronchoscopic trans-parenchymal nodule access) for the first time to India.
He has >100 publications in research journals/textbooks of pulmonary medicine.
He authored the textbook "Clinical Pearls in Pulmonary Medicine" which gives a
practical case-based approach to several clinical scenarios.
